Dear Western MT RPCV,

Thank you very much for your generous donation of \$200 (Check #1900) to Friends of Liberia. FOL is grateful for your support of the work of FOL on behalf of Liberians and greatly appreciates your generosity. Your donation will be utilized to support the Friends of Liberia Family Literacy Initiative as you requested. Donations like yours make such projects possible.

Friends of Liberia will keep you posted on the Family Literacy Initiative and Small Grants program on the Blog at www.FOL.org. Also stay tuned for information about a nursing education project and a program on entrepreneurship.

FOL appreciates your continued support.

Sincerely,

Friends of Liberia
